LOWEST PRICE GUARANTEE

Our guarantee is simple! You always get the BEST QUALITY parts at the BEST PRICE! Show us the same brand part/item and style advertised in any current magazine, catalog or website and we'll match their current price, simple as that! This offer is available only at the time of purchase and applies only to stocked merchandise. This offer cannot be combined with any other offer. Tires, restoration services, kits, window glass, cores, re-production batteries, certain engines, transmissions, used parts, special order parts and shipping and handling charges are excluded.

ECKLER'S CHEVELLE GIFT CERTIFICATES

Can't decide? Eckler's Chevelle gift certificates are the perfect gift.

THE BEST PARTS AT THE BEST PRICE

More than just a slogan, Eckler's Chevelle is committed to providing the highest quality parts at competitive prices. We select your parts exclusively from the world's leading brand name manufacturers to provide you technically correct parts of the very best quality. (Whether you need a single repair part or are undertaking a major restoration project).

YOUR SATISFACTION GUARANTEED

Part of our commitment to you:
If for any reason you are not completely satisfied with any product, simply return it for a full refund, credit or exchange, your choice.
No hassles.

SAME DAY PROCESSING ONLY \$3.95

Eckler's Chevelle standard order processing time for U.S. orders is 24 hours. CALL us Monday thru Friday before 1:00 p.m. (EST) and request same day processing, for just \$3.95 we'll process all in-stock parts through the warehouse same day. Next day delivery is also available, ask your Sales Representative for details.

HEADLIGHTS

1964-1970 Halogen Headlights

630139

- Makes Night Driving Safer
- Outlast Stock Bulbs
- Replacement Bulb

Wouldn't it be great to improve your night time vision 100%? Now you can by adding Halogen headlights to your car. They're twice as bright as conventional headlights and allow you to see road hazards much earlier.

630139...High/Low Beam 64-70.....12.99 ea.

1971-72 Halogen Headlight

- Replacement Headlight
- Improves Brightness
- Direct Plug-In

Wouldn't it be great to improve your night time vision 100%? Now you can by adding Halogen headlights to your car. They're twice as bright as conventional headlights and allow you to see road hazards much earlier.

630138.....15.99 ea.

1971-72 H-4 Halogen Headlights

- High Powered 60 Watt Replaceable Halogen Bulbs
- Unique Super Reflective Composite Shell
- Attaches To Stock Wiring

630455.....49.99 pr.

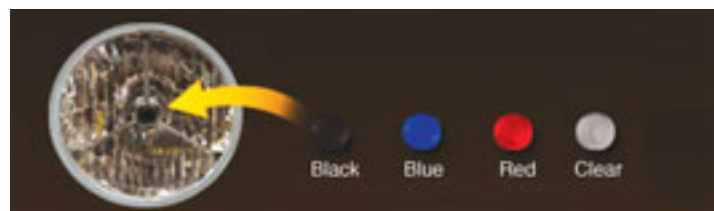

1964-71 T-3 Headlight Bulbs

- Reproductions Of Original
- Includes Mounting Clips

Made by the OE manufacture using original factory guide blueprints, these officially licensed show correct T-3 bulbs are 25% brighter then the originals and installs without any hassles. Original T-3 bulbs are very expensive and sometimes don't even work because the gases tend to bleed out over the decades. Now you can have the brightness of a high quality modern bulb and the correctness of an original without the high price and risk making these new T-3 bulbs a no brainer for any restoration.

630142...1968-70.....129.99 set

INTERIOR

Covans Classics Gauge Panels

These Covan gauge panels are made of ABS plastic, and are available in either a black pebble grain, brushed aluminum, or carbon fiber finish, and they come with your choice of AutoMeter gauge styles. Each gauge panel includes a complete wiring harness with high beam and turn signal indicators, instruction booklet and sending units for oil and water. Speedometer sensor, part #612094 is sold separately, page 25. Sports Comp gauge kits use mechanical gauges.

INTERIOR

Dash Pads

Why let a sun-damaged dash ruin the look of your car's interior? The grain and finish on these dash pads cannot be distinguished from the original; they are completely authentic in every detail, and a necessary part of every interior restoration. These dash pads are produced utilizing the most current mold techniques, superior to even the original.

Firewall Pads

These firewall pads fit the Chevelle and El Camino, as well as the GTO, 442 and Gran Sport. Replacing an old pad can help reduce the effects of engine noise and heat in the passenger compartment.

Seat Belts

These seat belts are not only safe, they are also authentic. We matched the belt webbing colors to the original interior upholstery colors, except for two-tones, which are matched to the dash pad color. The original design, chrome lift-up spring release latch is an identical duplication of Chevy's mid-60s design.

These belts have been rigorously tested to meet all applicable safety standards and can be used with either bench or bucket seats. Chrome anchor ends are bolted directly to the floor with our seat belt mounting kit, required for mounting each one-person seat belt set. These seat belts are correct for early 1966 models only; late '66 applications are currently unavailable.

1964-72 HushMat Complete Body & Floor Insulation Kit

- Reduces Road Noise & Dramatically Improves Thermal Insulation
- Includes Insulation For Headliner, Floors, Doors & Quarters
- Aluminum & Urethane Composite Material

- Includes (30) 12" x 23" Insulation Tiles Insulation R Value 3.6

HushMat insulation will keep the heat out, your air conditioning in and will greatly reduce exhaust, road, engine, rear end noise and vibration as well in your Chevelle. Easy to install, HushMat is self-adhesive and will stick to any interior surface you apply it to. It comes in easy-to-handle squares instead of large, hard-to-handle rolls or sheets. Just fit, trim if needed, peel and stick. HushMat trims easily with scissors or a box knife so no special tools are needed. It is constructed of 100% Butyl and aluminum with just 1/16" total thickness. It is far thinner than most other insulation products on the market, allowing it to be installed into tight cavities while still providing superior insulating power.

630050.....249.99 kit

Four Piece Floor Mats with Bowtie Emblems

These original style mats complete your interior restoration and can be trimmed for a custom fit.

1964-72 Lloyd Mats Floor Mat Set

- Embroidered Logos On Front Mats
- 4-Piece Set (Front & Rear)
- Longest Wearing Mats Available (5 Year Manufacturer's Warranty)
- Premium Cut-Pile Carpet With Luxurious Velour Binding
- Uses Lloyd's Easy-To-Use Floor Anchoring System

Lloyd Mats have long been recognized as the finest mats you can buy. The premium, 2-ply nylon carpet used in the mats wears like iron and will maintain its good looks for years. Underneath the carpet is a polypropylene mesh material and latex backing that help the carpet hold its floor hugging shape.

1966-67 Door Glass Assemblies

• Reproduction Of Original

Replacing and setting door glass is relatively easy. However, having new glass pre-set in an all new assembly makes installation a snap. To begin with there's no guessing about the correct fore and aft location, you don't have to reuse or buy new rubber or cork setting material and you have a shiny new frame that's free of rust and 40 years of hard use. That's why it's so convenient to install an assembly versus setting a new glass.

IF YOU ARE ORDERING AN INTERIOR, PLEASE READ THIS IMPORTANT INFORMATION:

• **ALL INTERIOR ORDERS ARE SPECIAL ORDERS, and therefore are non-returnable.** Eckler's requires customers to sign a waiver form that states customer agrees to the terms of the order and that colors and styles are correct. Customers have the option to have samples of interior and carpet materials mailed to them before signing the waiver, to ensure you are ordering the correct color and style. If you would like to have samples sent to you, call us at (800) 854-6911 during our normal business hours. To expedite these special orders, you may access a waiver form on our website for an interior or carpet order that you have already placed. AN ECKLER'S QUOTE OR ORDER number is required to use this form. Or use the Original Interior Order & Waiver Form at the back of this catalog and sign the necessary waiver. **We also require interior orders to be prepaid.**

• Your interior item(s) will be shipped to you directly from our supplier. Please inspect your shipment immediately upon receipt. If there are any defective or missing parts, please notify us immediately by calling 1-800-359-8581. Call as soon as possible so that we can make every attempt to rectify the situation. Due to our supplier's policies, we cannot take responsibility for any defects or shortages not reported within 10 days of receipt of order.

• Interiors are duplicates of the originals. Workmanship and fit are guaranteed by the manufacturer. Materials subject to change without notice; please call our interiors department before ordering. Interior orders are non-returnable under normal circumstances; however, should you experience a problem with fit, workmanship, incorrect items, or damages, please call for return information. Please don't ship your order back to us until you have contacted our returns department.

• To identify sedans from hardtops, all sedan models have a post between the side windows. Hardtop models have no post between the side windows.

Chevelle Vinyl Tops

All vinyl tops are made of a GM Levant grain vinyl with felt backing, and are then cut and double heat seamed for a great look and fit.

These door panels feature extra sharp design lines just like the original. Manufactured with the correct "Madrid" grain vinyl.

NOTE: Darker Fawn for the 2 tone is not available in the "Madrid" grain vinyl. "Seville" grain is used for the Fawn 2 tone insert.

"Gold Edition" Door Panels come "Pre-Assembled" only and are made for the customer who wants "100 Point Show Quality" panels. The pleats on these panels are crisper than our other door panels and they are as close to "100 point" as possible. Call for additional details.

"Pre-assembled" Door Panels include the chrome-like trim and are ready to install.

Standard door panels do not include the chrome-like trim. The trim would have to be purchased separately or reused from your original panels.

These door panels are available in solid and two toned color combinations. Manufactured with the correct "Madrid" grain vinyl they are accented with a chrome mylar strip near the top and original "crushed ice" patterned vinyl for a carpet look at the bottom.

NOTE: Darker Fawn for the 2 tone is not available in the "Madrid" grain vinyl. "Seville" grain is used for the Fawn 2 tone insert.

Standard door panels do not include the molding nor buttons. The molding and buttons would have to be purchased separately or reused from your original panels.

1966 Chevelle/Malibu/SS Convertible

These door panels are available in solid and two toned color combinations. Manufactured with the correct "Madrid" grain vinyl they are accented with a chrome mylar strip near the top and original "crushed ice" patterned vinyl for a carpet look at the bottom.

NOTE: Darker Fawn for the 2 tone is not available in the "Madrid" grain vinyl. "Seville" grain is used for the Fawn 2 tone insert.

"Gold Edition" Door Panels come "Pre-Assembled" only and are made for the customer who wants "100 Point Show Quality" panels. The pleats on these panels are crisper than our other door panels and they are as close to "100 point" as possible. Call for additional details.

"Pre-assembled" Door Panels include the chrome molding near the top of the door and original style metal buttons.

Standard door panels do not include the molding nor buttons. The molding and buttons would have to be purchased separately or reused from your original panels.

1969 Chevelle/Malibu/SS 2 Door Hardtop (Coupe)

These door panels are made with the correct Madrid grain vinyl and feature the original dielectrically patterned bar paralleled by chrome mylar strips.

"Gold Edition" Door Panels come "Pre-Assembled" only and are made for the customer who wants "100 Point Show Quality" panels. The pleats on these panels are crisper than our other door panels and they are as close to "100 point" as possible. Call for additional details.

"Pre-assembled" front door panels include the door lock ferrule, windowfelt and new top rail as well as new windowfelt and the chrome mylar strips. "Pre-assembled" rear panels have strong ABS top rails and new windowfelt.

Standard door panels include only the chrome mylar strips. The door lock ferrules, windowfelts, metal top rail and rear upper panels will have to be purchased separately or reused from your original panels.

1969 Chevelle/Malibu/SS Convertible

These seat covers feature the unique "Basketweave" design stripe in the center of each dielectric insert. They are made with the correct "Madrid" grain vinyl and include vinyl-covered buttons. Some of the Chevelles this year came with a light blue interior that used a light blue cloth on the seats instead of the vinyl. These cloth seats are not being reproduced, but a light blue vinyl seat cover is being offered as a replacement.

These door panels are made with the correct Madrid grain vinyl and feature the original dielectrically patterned bar paralleled by chrome mylar strips.

"Gold Edition" Door Panels come "Pre-Assembled" only and are made for the customer who wants "100 Point Show Quality" panels. The pleats on these panels are crisper than our other door panels and they are as close to "100 point" as possible. Call for additional details.

"Pre-assembled" front door panels include the door lock ferrule, windowfelt and new top rail as well as new windowfelt and the chrome mylar strips. "Pre-assembled" rear panels have strong ABS top rails and new windowfelt.

Standard door panels include only the chrome mylar strips. The door lock ferrules, windowfelts, metal top rail and rear upper panels will have to be purchased separately or reused from your original panels.

1970 Chevelle/Malibu/SS 2 Door Hardtop [Coupe]

These door panels are accented by parallel chrome mylar strips across the top of the vertical dielectric pleats. A wide chrome mylar strip denotes the bottom of the door panel.

Gold Edition" Door Panels come "Pre-Assembled" only and are made for the customer who wants "100 Point Show Quality" panels. The pleats on these panels are crisper than our other door panels and they are as close to "100 point" as possible. Call for additional details.

"Pre-assembled" front door panels include the door lock ferrule, windowfelt, new top rail strips and the chrome mylar stripe.

Pre-assembled" rear panels have strong ABS top rails and new windowfelt.

Standard door panels include only the chrome mylar strips. The door lock ferrules, windowfelts, metal top rail and rear upper panels will have to be purchased separately or reused from your original panels.

These door panels are accented by parallel chrome mylar strips across the top of the vertical dielectric pleats. A wide chrome mylar strip denotes the bottom of the door panel.

"Gold Edition" Door Panels come "Pre-Assembled" only and are made for the customer who wants "100 Point Show Quality" panels. The pleats on these panels are crisper than our other door panels and they are as close to "100 point" as possible. Call for additional details.

"Pre-assembled" front door panels include the door lock ferrule, windowfelt and new top rail as well as new windowfelt and the chrome mylar strips. "Pre-assembled" rear panels have strong ABS top rails and new windowfelt.

Standard door panels include only the chrome mylar strips. The door lock ferrules, windowfelts, metal top rail and rear upper panels will have to be purchased separately or reused from your original panels.

'71 & '72 UPHOLSTERY

1971 Chevelle/Malibu/SS Convertible

These door panels are accented by parallel chrome mylar strips across the top of the vertical dielectric pleats. A wide chrome mylar strip denotes the bottom of the door panel.

"Gold Edition" Door Panels come "Pre-Assembled" only and are made for the customer who wants "100 Point Show Quality" panels. The pleats on these panels are crisper than our other door panels and they are as close to "100 point" as possible. Call for additional details.

"Pre-assembled" front door panels include the door lock ferrule, windowfelt and new top rail as well as new windowfelt and the chrome mylar strips. "Pre-assembled" rear panels have strong ABS top rails and new windowfelt.

Standard door panels include only the chrome mylar strips. The door lock ferrules, windowfelts, metal top rail and rear upper panels will have to be purchased separately or reused from your original panels.

Under Hood Insulation

After spending so much money and time on that engine, why not finish detailing the engine compartment with a new hood insulation kit? It quiets engine noise and is made of flameproof material. This is a must-have item for all those replacing the hood. 1966-69 Kits

fit both the standard and Super Sport hoods. 1970-72 Kits are available for the standard and the Super Sport hood units.

WIPER / HEATER / RADIATOR

Heater Cores

If you've ever had steam pour out of your heater ducts on a really cold day, you know how important an intact heater core can be. Forget patching solder, for a reliable heater system you need to start with factory-fresh brass.

Desert Cooler® Radiators

Desert Cooler radiators drop right into your 1960's and 1970's favorite. They are a direct replacement for your Chevelle, and features state of the art cooling efficiency. All radiators come with 1/2" tubes in a 4-Row design, giving you the maximum in cooling capacity. Radiators also include a petcock and hose. Please measure your core size before ordering. Triple flow radiators are available by special order and require you to use an external trans cooler. Please ask your sales rep for further details.

Aluminum Radiators

For the ultimate in weight savings and cooling Eckler's Chevelle now offers these aluminum radiators from U.S. Radiator. All radiators feature dual 1" tubes and come in either standard finish or an eye catching polished finish. Fully welded construction with no epoxy assures long lasting performance. Triple flow radiators are available by special order and require an external trans cooler. Please ask your sales rep for further details.

1968-72 Alumitech Aluminum Radiators

- Correct-Fit Aluminum Replacement
- 2 Rows Of 1" Tubes For Better Cooling
- Fully TIG Welded (No Epoxy)
- Press Formed Tanks replicate Stock Radiator
- 100% USA Cores & Components

Expect a perfect fit, an original look and improved cooling when you install one of these aluminum performance radiators from Alumitech Reproductions. As a direct bolt-on replacement for the original Harrison brass/copper radiator, the Alumitech has 30% more efficient cooling and only about half the weight. Fully TIG-welded for maximum heat transfer and strength, it features two rows of 1" tubes and press-formed tanks that closely match the originals in appearance, except it doesn't have the factory embossed Harrison script. Supplied in a natural aluminum finish, Alumitech radiators can be painted black without adversely affecting their superior cooling properties. Proudly made in the U.S.A.

Gen IV Sure Fit Vintage Air Conditioning Kits

- The Best Cooling Available For Your Chevelle
- Specify V-Groove Or Serpentine Compressor
- Sure-Fit With Electronic Servo Control
- Includes Air Conditioning & Heater
- Works With Original Heater Panel
- Use With Small Or Big Block V8
- May Take 3-4 Weeks For Delivery To Your Home

Our bolt-on air conditioning kits include: evaporator, receiver/dryer, compressor, hoses, lines, vents, ducts and all hardware. This kit does not include belts or pulleys, sold separately. Simply remove your original heater system and bolt our unit and components in place. The in-car components fit behind the dash. This is not a "hang-on" kit. Our system uses HFC-134A refrigerant.

Air Conditioning Units

Eckler's Chevelle offers Vintage Air Sure-Fit series for the ultimate in performance. Each kit is tailored to your cars exact configurations ensuring you a perfect fit every time and covers all your climate control needs such as heat, cool and dehumidified defrost. Kits also implement the factory controls so you keep your dash looking original. Please be ready to supply the following information when ordering: engine size, manifolds or headers, water pump length, alternator location, non-air car or factory air car.

Chrome Alternator Brackets

These brackets are a great way to complete your engine dress-up and are available for most popular applications. Technical Note: Before purchasing, closely examine catalog photo to ensure proper part selection. Before removing from package, carefully inspect the part and compare it with your existing alternator bracket. The alternator cannot be aligned with the water pump if the bracket is incorrect.

Alternator Bracket

This bracket is for use with Chevy small blocks when the top bracket bolts into the intake manifold. Both top and bottom brackets are included.

Technical Note: Engineered to fit applications with a distance of 4" between the center of the hole in the intake and the front of the mounting node on the water pump. Minor modification or shimming of the bracket may be necessary.

601983.....14.99 kit

Alternator Bracket

This bracket is for use with small blocks when the top bracket bolts to the water neck. Includes top and bottom brackets.

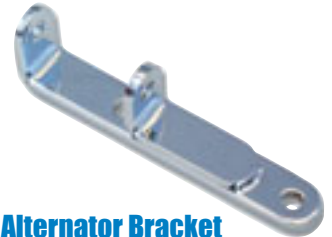

Technical Note: Fits applications with a distance of 6" between the center of the hole in the water neck and the front of the mounting node on the water pump. Minor modification of shimming of the bracket may be necessary.

1964-72 MSD 6AL Multiple Spark Discharge Ignition

- More Power & Faster Starts
- Better Idle & Smoother Running

The Multiple Spark Discharge Ignition ensures a complete burn on each compression stroke. The result will give you increased fuel economy, faster starts, more power, and smoother running performance with a more even idle. This ignition system has been performance proven by professionals. Soft TouchRev Controls of 3000, 6000, 7000 and 8000 RPM will protect against overrev damage. Rev Control is adjustable. Rubber shock mounts supplied.

Pertronix Flamethrower Billet Distributor

Now you can update your outdated points, stock electronic or aftermarket distributor with a performance proven distributor that features the patented Ignitor II electronic ignition module. Housings are CNC machined from 6061 T-aluminum and polished to a show quality finish. For stable timing and precise spark distribution, while maintaining peak energy throughout the entire RPM range, a Flame-Thrower distributor is the only way to go. Parts 612736 and 612737 have tower style male connectors.

Pertronix Flamethrower HEI Distributor

Experts agree that good HEI ignition systems rely on a good module and a good coil. Flame-Thrower has engineered their module and coil to work together to provide superior ignition performance without misfires up to a minimum of 7500 RPM, nearly 3000 RPM higher than most report with their original HEI. Compared to the stock HEI this unit produces 67% more energy in the coil with 45% faster spark breakdown time and deliver twice the energy across the spark gap. Legal in all 50 states.

612386...HEI	197.99 ea.
--------------------	------------

Pertronix Ignition Conversions

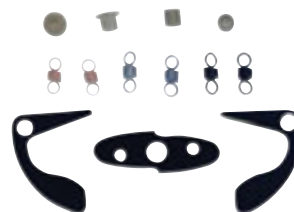

Upgrade from obsolete breaker points to an electronic system with an easy clean installation. The Ignitor System has been called the "stealth" ignition system because it's powerful and practically undetectable underneath your distributor's cap.

1964-72 Moroso HEI Spark Plug Wires

- For Use With Headers
- Use With Distributor P/N 630112

Moroso's "Blue Max" Spiral Core Spark Plug Wires should be used whenever headers are installed.

We've selected the Moroso brand for three very good reasons. First, they are made of the finest high temperature silicon available to withstand the extreme temperatures headers produce. Secondly, Moroso's unique 8mm "Spiral Core" design delivers the voltage carrying capability of a metal conductor with radio noise suppression benefits of the stock wires, and thirdly, they are routed just like the factory wires.

630114.....79.99 set

ACCELERATOR / FUEL / INTAKE / AIR CLEANERS

Silicone Dielectric Grease

High-energy (electronic) ignition systems generate so much heat in the plug wires that the wire connectors often fuse to the spark plug tips. Our dielectric grease, when applied to the plug contacts, prevents such fusion and allows wires to be removed without damage.

Battery Tender Waterproof 800 Charger

The Battery Tender Waterproof 800 is perfect for outdoor use. Its circuitry is totally epoxy encapsulated so it will perform even while submersed under water. This unit packs 800 milliamps of pure charging power yet it is no larger than the size of a standard computer mouse. You can use Battery Tender anywhere in the world and the unit is reverse polarity protected, spark proof and it complies to international safety standards. Like all Battery Tenders, it has a microprocessor (brain) that controls the charging of each battery so that your battery doesn't get "cooked" the way conventional chargers can do. This lightweight unit weighs only 1 lb. and carries a manufacturers' 2 year warranty.

- Charges Battery & Maintains Proper Storage Voltage Without Damaging Effects Caused By Trickle Chargers
- Waterproof For Outdoor Use
- Operates Anywhere In The World

88-0161-1.....44.99 ea.

Battery Tender Charger

- Safe Reliable, Trouble-Free Battery Care
- Developed To Maintain Batteries Not In Constant Use Or Storage
- Fully Automatic Charger

Automatically switches off after fully charging to storage charge; constantly monitors the battery without the damaging effects of trickle charging. The initial charge cycle of the Battery Tender brings a battery to a full charge at approximately 14.4 volts about 1.25 amps. What this means to the user is safe, reliable, trouble-free battery care. Aluminum construction equipped with 6' power cord, and 6' output cord with clamps. 5 year warranty.

88-0160-3.....59.99 ea.

Priority Start

- Guarantees Battery Power For Starting
- Saves Your Battery
- Simple Installation - 3 Easy Connections
- Offers Security, Safety & Peace of Mind

Priority Start is a patented computerized device that monitors battery power when the ignition switch is off. If it detects excess voltage drain - due to lights left on, door ajar, radio on, even short circuits - it automatically disconnects the load. When the headlights are turned on, it automatically reconnects the battery and your car starts. There are no buttons, switches or hood to raise to reconnect. Priority Start is backed by a 3-year warranty. Priority Start fits both side post and top post batteries - all mounting hardware included.

88-0104-3.....69.99 ea.

Valve Cover Breather Caps

These beautiful chrome breather caps cover a multitude of applications. Parts #601935-37 feature the Chevrolet bowtie; all of them are 3" in diameter. Cap #601935 is for use with oil filler tube #601981, on page 107, or any application with a .182" dia opening. Cap #601936 is for use with valve covers that have .122 dia grommet openings; see valve covers #601932. Part #601937 is a twist-on cap and it utilizes two small metal tabs on its collar to keep it in place. This cap is for use on big block valve covers #604250 and #604251. Cap #602482 is for use with valve covers #611188. Technical Note: It may be necessary to remove one gasket from cap #601937 for proper clearance.

601937.....	DISC
602482...1987-93.....	9.99 ea.

Valve Cover Fasteners

The distinctive bowtie logo is featured on each wing nut. Shafts have wide bases for broad load distribution. Each nut is supplied with a separate stud for proper positioning of the valve cover gasket prior to mounting of the valve cover. Fasteners fit both small and big blocks. Thread size is 1/4 - 20. Sold 4 per package.

Valve Cover Bolts

682609...1965-74, "TR", 427; &
.....65-72 Chv BB ..19.99 set

Valve Cover Hold-Down Retainers with Bolts

Bolts are not enough! These original design hold-down retainers keep the valve covers securely and evenly in position. 14 per set.

604349...1965-72 BB ... 19.99 set

Valve Cover Hold-Down Clamps

By spreading the load over a wider area, these clamps minimize distortion of the valve cover flanges, decreasing the likeliness of oil leakage. Fits all small blocks through 1986. Four per set.

601934...1964-86.....3.99 set

PCV Hose

This thick-walled hose is manufactured with a 90° bend like the original and includes a black pinch clamp. 1967-70 models use a PCV valve #604366, shown above.

604365...1966-72..... 10.99 ea.

Valve Cover Breather Cap Grommets

Includes one grommet for the push-in breather and one for the PCV valve. For use with our valve cover elbow, #604368 and our PCV valve, #604366, shown below.

601938.....	5.99 set

1964-72 Centerforce 11" Dual Friction Clutch System

- Performance-Matched Pressure Plate & Disc
- Outstanding Holding Capacity & Durability
- Clamping Pressure Increases With RPM
- Exceptional Street & Strip Clutch
- Fits 350ci & 396ci Engines

Install this matched pressure plate & disc combination on your Chevelle for the ultimate in street/strip performance. The Dual Friction clutch disc has a full 360-degree friction facing on the pressure plate side for drivability and longevity, while a carbon composite segmented facing is on the flywheel side for a positive engagement and greater holding capacity. The pressure plate has the famous Centerforce weights system that uses centrifugal force and leverage on the clutch diaphragm to increase the clamping pressure as engine RPM increases. This is what gives the Centerforce clutch system its superior performance without the uncomfortable clutch pedal effort that's usually needed to operate a heavy-duty clutch. Every moment driving your Chevelle, you will appreciate the positive clutch action that doesn't require undue clutch pedal pressure to control. This Centerforce Dual Friction clutch system fits 350ci and 396ci engines. Eckler's Chevelle has the best performance products for your Chevelle.

Polyurethane Side Motor Mounts

Polyurethane mounts offer the best of both worlds, smooth running for the street, yet strong enough for the track. Motor mounts also feature safety interlock. These poly motor mounts are a direct replacement for rubber and they last longer. A more solid style mount without the noise of aluminum.

UNDER THE HOOD

Ecklers Chevelle is proud to carry Doug's Headers, the most respected name in the header industry since 1958. Every Doug's header is tuned with the proper tube size and length to efficiently remove all the exhaust from each cylinder, reducing pumping losses resulting in a dramatic increase in horsepower and torque. Doug's headers are carefully developed on the vehicles they are intended to fit and are re-checked numerous times during the design and manufacturing process. Doug's headers come with all the necessary mounting hardware, collector reducers or connector pipes, premium gaskets and detailed installation sheets. Extra thick gaskets are rated up to 1100°F, pressures to 3700 psig (255 bar), and are designed for an exact, port match with Doug's headers. Headers are offered bare or in an optional high luster Metallic Ceramic Thermal Barrier Coating. This Ceramic Coating is simply the best header finish on the market, it protects and extends the life of headers by creating a thermal barrier which significantly lowers under hood temperatures and protects the substrate metal from thermal fatigue. Prior to the application of the Coating, all header tubes are pre-polished to remove clamp marks and scratches which result from the mandrel bending process. After the coating is applied, it is polished with a vibratory finishing process which produces a high luster aluminum appearance. The polishing process compresses and activates the coating, which increases the surface hardness to produce a finish that is 60% more corrosion resistant than an unpolished surface. This coating is easy to maintain and will last for years under normal operating conditions. Doug's will not compromise performance, quality or fit to compete with inferior designs.

Custom Autosound USA-230 Stereos

Do to the great success of the USA-630 radio Eckler's Chevelle now brings you the USA-230. This new model radio has the same cosmetics as the USA-630 which has been a huge success. If you don't need USB/MP3 or CD changer control this is the model for you. An awesome looking radio a great price. Radio has no cassette but comes with auxiliary audio input. If you have a portable MP3 player or Satellite radio just plug it into the Aux input and listen to it through this radio.

Custom Autosound USA-630 Stereos & CD Changer

- Fits In Stock Dash With No Modifications
- 240 Watts Total Power (60 x 4)
- Includes Auxiliary Inputs For iPod, DVD & Satellite Hookups
- Also Includes USB Port For Flash Memory MP3 Or WMA Playback
- No Cassette Player Included
- CD Player P/N 610846 Can Be Controlled By Radio Pushbuttons
- Electronic Tuner

The USA-630 is the very latest technology available from Custom Autosound. The large OEM style pushbuttons look very similar to the ones on your original Chevelle radio. The unique USB port is on an 18" extension out the back of the stereo to allow placement in the glovebox or other remote location. The display is now 30% larger than older designs giving improved visibility and song/artist/album title display during MP3 playback. Additional features include: balance, power antenna lead, bass, treble, fader, scan 312 FM and 4 AM station presets & RCA preouts. The USA-630 stereo also includes faceplate, knobs & bezels.

1964-67 Classic Update Wiring Harness Kit

- Provides New Wiring Harness For Entire Car + Updates For Modern Accessories
 - Includes Original Style Sockets, Connectors & Pigtails
 - A Must For Anyone Adding Modern Accessories
- Replacing the wiring harness in any classic car is a good idea from a safety and reliability standpoint. Replacing it with a wiring harness that easily allows you to plug in modern conveniences is money well spent! With American Autowire's Classic

Update Kit you get it all. It has great features like a harness that will let you wire the instrument cluster in the stock configuration or you can easily and neatly connect to Autometer, Classic Instruments, Dakota Digital, Stewart Warner, VDO and other custom gauge packages. It also provides power feeds for upgraded heater and air conditioning systems, as well as feeds for

power windows, seats, wiper systems, internally regulated alternators, HEI ignitions and electric fans. And it allows you to completely wire your car from front to back. It doesn't get any easier than this!

WIRING HARNESSES / SWITCHES

Modular Panel Wiring System

American Autowire Highway series are available in either 15 circuit or 22 circuit systems. The modular design is over engineered for street rods and custom applications. Kits feature large easy to read circuit printing on every GM color coded wire. Wiring harness kits come with headlight, ignition and dimmer switches, and can be configured for GM column mounted ignitions. Also included is a full color schematic and step-by-step instructions for trouble free installation.

603852...1968 (Shown)..... 12.99 ea.
603852A...1969 (Shown)..... 12.99 ea.

Miscellaneous Harnesses Notes:

Note 1: Most 1967 A/C equipped cars used a separate harness for air conditioning. However, the factory does list these harnesses as original equipment and they incorporate the A/C wiring in the engine harness as per 1966 design. When ordering, please specify which A/C design is in the car so that the correct harness can be provided.

Note 2: In some cases these harnesses could have been factory equipped with an idle control solenoid lead wire. This wire will not be built into these harnesses unless specifically requested.

Wire Harness Retainers

606754...1965-72 Gray .. 1.99 ea.

RFI Converted Gas Tanks

Electronic fuel injection seems to be the rage these days. Converting over to EFI usually means modifications to the gas tank and electric fuel pump that produces 85-115 PSI at 50-60 gallons per hour. All you have to do is install in place of the original tank, run 12 volts and fuel lines and your fuel system is ready. Allow 2-3 weeks for delivery.

Front to Rear Gas Vent Lines

These vent lines equalize the pressure in the gas tank as gas is drawn out. They run down the passenger side between the tank and the fuel pump or vapor canister, depending upon the year of the car. Due to shipping restrictions, our gas vent lines have an additional bend to shorten their overall length. This bend can be carefully removed without difficulty.

Big Brake Kits

The front system utilizes 13-inch, cross drilled and slotted, zinc-washed rotors mounted to 2024 T6 billet aluminum, CNC machined, anodized hubs and PBR C15 calipers which attach to the spindle with custom caliper mounting brackets. PBR C15 calipers have twin 52mm pistons and a larger brake pad surface area which offers about 60% more stopping power than the popular C5 caliper at half the cost. The rear system uses 12-inch, cross-drilled and slotted, zinc washed rotors which mount to the factory axle flange with the longer studs supplied. The calipers used are a Lincoln Continental emergency brake style caliper mounted to the rear axle housing with custom caliper mounting brackets. These kits include all the bearings, seals, dust caps, brackets, cables, hoses, clips, instructions and necessary hardware to insure a hassle free installation. Big Brakes are available in front or rear kits and must be used with a minimum 17" wheels. Kits come with plain calipers; powder coated calipers available at an extra cost.

Please contact an Eckler's representative for pricing.

630715...1968-72 Rear Disc Brake Kit, Big, 12".....	724.99 kit

Front Disc Brake Conversion Kits

Convert your Chevelle to front disc brakes or lower your vehicle and convert to disc brakes all in one shot. An Eckler's disc brake kit comes with stock height or two-inch drop spindles or comes with new two inch drop spindles disc brake bracket kit, 11" rotors, loaded calipers, bearings, seals, dust caps, spindle nuts and hoses for a quick and hassle free installation.

These kits move the wheels out 7/16" and work with most 14" and 15" wheels. Crossed drilled and slotted rotors or powder coated calipers available at extra cost. Please contact an Ecklers representative for pricing.

Front, Lower A-Arm Bushings

All bushings are pre-lubricated on wear surfaces with specially formulated lubricants. During 1970-72, Chevy used two bushing configurations on the lower A-arm. Some cars have lower A-arms with oval rear bushings, and some have A-arms with a round rear bushing. If you are a 1970-72 owner, be sure to check your lower A-arm rear bushings before ordering. Two of each set is required per car.

Sway Bars

Increase the safety of both driver and passenger by eliminating dangerous sway and body roll. Not only will the sway bar make your car safer to drive; it will give your car high performance handling as well. These bars can be used separately or in conjunction with one another. Fronts are 1-1/8" in diameter and include two sway bar link kits, a sway bar bushing set and sway bar to frame bushings. Rear sway bars are 1" in diameter. Both front and rear sway bars have forged ends. Part #604953 is a GM manufactured sway bar. Part #603522 is an aftermarket sway bar, and includes mounting kit for easy installation. Note: Part #604953 and #606863 are to be used as boxed rear control arms.

Firestone Wide Oval Tires

The Firestone Wide Oval tire is not only a great choice for an accurate restoration; it is also a tire built for performance. These tubeless, fiberglass-belted tires are available with raised white letters or with redline and black letters. The American-made Firestone Wide Oval is the perfect finishing touch for any restoration.

1964-65 Complete Trunk Floor

• Reproduction Of Original

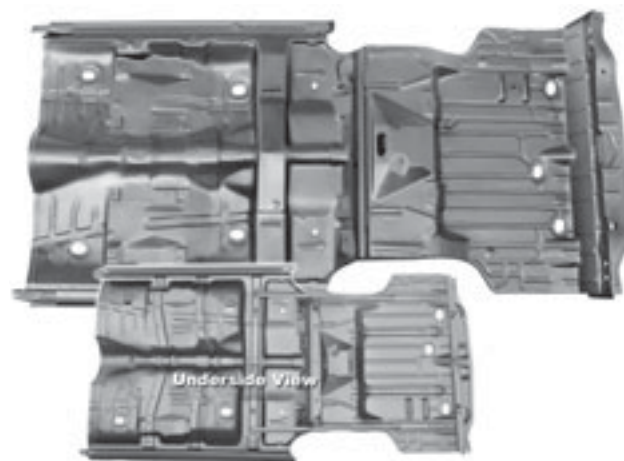

The sheetmetal you buy from Eckler's is made to the same specs as the original equipment panel which means it will be the same thickness and the metal is manufactured to meet today's standards. The parts are designed by computer and are not reverse engineered so you know the fit will be just like the original. Plus the sheetmetal that Eckler's sells is laser cut so that the ends do not "thin out" when cutting dies get old. Again this yields an easier installation and more exact fit.

Trunk and Floor Drain Plates

Drain plates are located in both the front and rear floor pans which also have rear floor pans) and in the trunk. Chevelles have 7 plates; El Caminos have 4. Part 5096 is screw-installed and includes notch details, necessary for cars manufactured with this type of drain plate. Part 5097 is the same shape and size as 5096, but it is installed with a glue sealer and has no holes or notches.

Floor Pans

Dragging your feet? A common problem with older cars is the rusting of the floor pans. We offer you excellent reproductions. All are heavy gauge steel with original contours. Note: You will need to modify these floor pans for the 1968-72 models. For a more accurate restoration, carefully cut out the oval depression in each floor pan (see photos) and install the appropriate drain plate, shown below.

Partial:

Rear Window to Trunk Panels

Water collects around the rear window, often damaging the sheet metal. The only sign of such damage is water in the trunk or a stained package shelf. Cut that rust out and start fresh with this heavy gauge sheet metal.

630951...1964-65 Hardtop		89.99 ea.
605332...1966-67 Hardtop		57.99 ea.
604221...1968-72 Hardtop		64.99 ea.

Dash Repair and Reinforcement Sections

Replacing the dash pad is a great way to spruce up the interior, but before you do, check the steel reinforcement underneath it. Restorers, convertible owners especially, are often surprised to find rust after removing the old pad. These repair and reinforcement sections can make restoration of this problem area much easier.

Chevelle Wiring Diagram Manuals

Wiring diagram manuals are essential before beginning any electrical work. Prevent electrical fires and serious damage to your car's electrical system by using the same information that Chevrolet used to assemble your car. These manuals can assist you in determining which of our high quality wiring harnesses you will need for your car, and provide the information necessary for a safe and accurate wiring installation.

"Body by Fisher" Service Manuals

These Fisher Body manuals go hand-in-hand with the shop manuals. Body part assemblies, interior and exterior trim and many other areas are documented completely. Even the complex door mechanism assemblies are made simple in these step-by-step guides.

Flat Stoppers

Cars that sit for months in one place will create flat spot tires, it's a fact. You can prevent tire flat spotting by placing Flat Stoppers underneath your tires to insulate them from temperature extremes. The special lightweight polystyrene construction eliminates uneven pressure points regardless of how long your car sits. Put an end to ruining expensive tires.

Battery Tender

- Safe, Reliable, Trouble Free Battery Care
- Developed To Maintain Batteries Not In Constant Use Or Storage

Automatically switches off after fully charging to storage charge constantly monitors the battery without the damaging effects of trickle charging. The initial charge cycle of the Battery Tender brings a battery to a full charge at approximately 14.4 volts about 1.25 amps. After a full charge is reached, the Battery Tender automatically converts to a float charger and monitors the battery at 13.6 volts. Although there is a constant voltage of 13.6 volts being applied to the battery, it is doing so at very little or no current. What this means to the user is safe, reliable, trouble free battery care. Equipped with 6' power cord, and 6' output cord with clamps, 5 year warranty.

88-0160-3

59.99 ea.

Battery Tender Waterproof 800 Charger

- Charges Battery & Maintains Proper Storage Voltage Without Damaging Effects Caused By Trickle Chargers

The Battery Tender Waterproof 800 is perfect for outdoor use. Its circuitry is totally epoxy encapsulated so it will perform even while submersed under water. The unit packs 800 milliamps of pure charging power yet it is no larger than the size of a standard computer mouse. You can use Battery Tender anywhere in the world (100-240VAC 50/60 Hz) and the unit is reverse polarity protected, spark proof and it complies to international safety standards (UL/CSA/CE). Like all Battery Tenders, it has a microprocessor (brain) that controls the charging of each battery so that your battery doesn't get "cooked" the way conventional chargers can do. This lightweight unit weighs only 1 lb. and carries a manufacturers' 2 year warranty.

Schumacher Battery Companion

- 1.5 amp Charger And Maintainer
- Automatically Switches From Full Charge To Float-Mode Monitoring
- LEDs Indicate: Charging, Charged And Trouble
- Reverse Polarity

Unique automatic battery charger maintains both 6 and 12 volt batteries keeping them at full charge using float-mode monitoring. Perfect for charging small batteries. Great for maintaining small and large batteries kept in storage-motorcycles, classic cars, RVs, boats. Quick-disconnect Harness, snaps either connector into place in seconds.

88-0159-2

44.99 ea.

Priority Start

- Guarantees Battery Power For Starting
- Simple Installation
- 3 Easy Connections

Detects excess voltage drain – due to lights left on, door ajar, radio on, even short circuits – it automatically disconnects the load. When the key is turned on, it automatically reconnects the battery and your car starts. Priority Start is easy to install and is backed by a 3-year warranty. Priority Start fits both side post and top post batteries, hardware included.

88-0104-3

Dual Chamber Master Cylinder Brake Pressure Bleeder

- Bleeds Brakes Like The Professionals
- Pressurized Brake Fluid Forces Trapped Air From The Brake System
- Fits All Dual Chamber Master Cylinders

Finally an affordable and easy-to-use brake pressure bleeder for the do-it-yourself mechanic is now available. This tool uses air pressure to force brake fluid through the system during the brake bleeding process. Pressurized fluid forces all the trapped air in the hydraulic system out, providing the most efficient way to have a firm brake pedal. **This kit will work on any dual master cylinder and eliminates the need for a second person during the bleeding process.**

88-0309-3

74.99 ea.

Catch Bottle Kit

- The Perfect Companion To The Power Bleeder

These bleeder bottles feature a stainless lanyard to hold the bottle to a suspension component and a return nipple to prevent spills. Set of two 500 ml polyethylene bottles.

10.99 ea.

Cannot ship by air.

Water Wetter

- Reduces Coolant Temperatures

A unique wetting agent for cooling systems, Water Wetter reduces coolant temperatures by as much as 20 degrees Fahrenheit. It can be added to new or used antifreeze to improve the heat transfer in your cooling system. Water Wetter also reduces scale buildup in cylinder heads for better cooling and keeps water pump seal lubricated for longer life. It also provides excellent corrosion protection for modern cast iron, aluminum, and brass cooling systems.

88-0191-3 12 oz

10.99 ea.

Fuel Fresh Multi-Functional Gasoline Additive

- Prevents Gum & Varnish Formation

Fuel Fresh is effective for safe storage protection up to 24 months. One self-measuring bottle treats approximately 200 gallons for everyday use, and 100 gallons for storage. 32 oz. Cannot ship by air.

RAGGTOPP Vinyl Convertible Top Care Kit

- Contains Cleaner & Vinyl Protectant
- Also Excelent For Vinyl Covered Hardtops, Tonneau & Spare Tire Covers

88-0250-3 6 oz. Spray 28.99 kit

Cannot ship by air.

Plexus Plastic Protector

This stuff was originally developed for use on expensive aircraft windshields, but a funny thing happened. People realized it worked great on all kinds of plastics. It cleans the surface and leaves a shiny, protective layer of wax to guard the vulnerable, porous surfaces. Also works great on plastic-based acrylic paints and clear coated aluminum wheels.

88-0261-3 13 oz. Spray

14.99 ea.

RAGGTOPP Cloth Convertible Top Care Kit

- Contains 16 Oz Cleaner & Fabric Protectant

Cannot ship by air.

Connolly Hide Care

Hide Care is a concentrated cleaner that feeds the leather to achieve a rich, polished finish, and to help prevent cracking. Great for vinyl, as well.

88-0232-2 13 oz.

26.99 ea.

RAGGTOPP Convertible Top Cleaner

Safely removes even the toughest soils & stains.

88-0253-3 16 oz. Spray 13.99 ea.

Cannot ship by air.

RAGGTOPP Cloth Convertible Top Protectant

- Ideal For Protecting New Tops
- Renews & Extends The Life Of Older Tops

Ragg Topp is for the topcloth and plastic windows of all convertible tops. Ragg Topp just sprays on to keep water, oil and stains off the top. It also provides UV protection and can be reapplied as needed.

88-0252-3 14 oz. 19.99 ea.

Cannot ship by air.

Cloth Convertible Top Care Kit

This kit will protect and preserve your costly cloth top from weather as harsh as northern Europe winters. A two-step process first cleans and deposits a powerful ultraviolet inhibitor then the water-proofer will extend the life of your top and improve color retention. The kit also contains non-abrasive plastic cleaner/polisher to help prevent hazing and yellowing of rear windows.

88-0200-3

54.99 ea.

Connolley Leather Care Kit

The leather care kit contains leather cleaner (17 oz), and leather conditioner (10 oz). Specially blended with lanolin conditioners that will penetrate and soften all the leathers.

Autosol Metal Polish

Bring out the shine and luster in aluminum, copper, magnesium, and brass with this polishing paste. Goes on and comes off quickly and easily.

88-0199-3

7.99 ea.

P21S Chrome Polish

A unique multi-surface polish specifically formulated for the variety of surfaces found on today's automobiles. P21S Chrome Polish and Finish Restorer easily renews badly tarnished metals to a brilliant shine, yet remains mild enough to use on paintwork and plastics.

88-0224-3 3.56 oz

72.99 ea.

P21S Paintwork Cleanser

This thick gloss-enhancing liquid removes water acid spots, swirl marks and other minor imperfections without scratching. Easy to apply without leaving powder residue; ideal for all modern clearcoats.

88-0221-3 11.8oz 15.99 ea.

P21S Window Wash Boost

High performance detergent eliminates dangerous windshield streaking. Easy to use. Concentrated mixture makes 6-1/2 gallons.

88-0220-3 18oz 29.99 ea.

P21S Paste Wax

Give your car the ultimate concours shine in minutes! A rich blend of pure Brazilian #1 yellow carnauba and beeswax delivers a dynamite shine that lasts and lasts. A paste wax that's virtually as easy to use as liquid, P21S wax goes on and comes off with incredible ease and no powder residue.

88-0222-3 6.2 oz. 33.99 ea.

P21S 100% Carnauba Paste Wax

P21S breaks the 'carnauba barrier' with its 100% carnauba-based Paste Wax.

88-0223-3 54.99 ea.

P21S Polishing Soap

The power of a polish, with the ease of a soap. Wet the sponge, rub it across the soap, scrub, then rinse with water. Use on chrome, stainless & aluminum to remove rust, oxidation and dulling in seconds!

88-0225-3 10.6oz 10.99 ea.

Zymol Concours Glaze

For those who demand "show-car" gloss and depth of shine.

88-0226-2 8 oz 179.99 ea.

Chevelle T-Shirt

- Embroidered Logo • 100% Cotton
 - Imported • Sizes S-XXL
- Everybody loves to wear t-shirts, they're soft and they're incredibly comfortable. And for even greater comfort this 100% cotton t-shirt is ring-spun for added softness, plus it's generously cut so that you can move freely about. On top of the comfort features, you'll find this t-shirt is made of long-lasting 6.1 ounce cotton, unlike lightweight 5.4 ounce models and it has a reinforced rib knit neckline so that it won't become stretched-out like others can. Add to this double-needle stitching on the collar, sleeves and hem for a finished look and you've got a quality t-shirt that won't be beat

Prices Subject to Change

During the length of time our catalogs circulate, the price or availability of items sometimes changes without notice. While every effort is made to ensure accuracy, Eckler's Chevelle is not responsible for errors or omissions in this catalog.

Eckler's Chevelle Accepts Credit and Debit Cards, Checks, Money Orders and C.O.D.

Eckler's Chevelle accepts first party, preprinted checks from U.S. Banks with your mail order. **C.O.D.** method of payment applies only to shipments within the Continental U.S. Eckler's Chevelle reserves the right to request a deposit on large orders. \$10.99 C.O.D. fee will be applied.

Return Checks Policy

A \$35.00 returned check charge will be assessed for all checks returned for insufficient funds.

Eckler's Chevelle Gift Certificates

Let them make their own choice with an Eckler's Chevelle gift certificate available in any denomination.

Limited Warranty

Eckler's Chevelle will not be responsible for any damage or loss caused by delays, failures or other consequential damage, nor for labor, transportation or any other charges incurred in the replacement or repair of a defective item. Eckler's Chevelle accepts no responsibility for any consequences resulting from installation of any parts.

Returns

To be eligible for return, the product must be in like-new condition, in original packaging and accompanied by a copy of the invoice. Special order parts are non-returnable. Shipping charges are not refundable. Product must be received within 30 days of the date of the invoice to be eligible for a full refund. Products received within 31 to 60 days are subject to a 25% restocking charge and will be issued a credit on account. No returns allowed beyond 60 days of invoice date. All returns must be sent prepaid. It is suggested to insure the returned item for its full value to protect against loss. Allow up to 3 weeks from date of shipment for processing refunds, credits and exchanges.

Package Protection Plan Rates

Eckler's Chevelle allows total peace of mind by eliminating any hassle or risk in the event of loss or damage of parts during shipment. If a problem arises, call our Customer Service representatives for a quick resolution.

Up to - \$100.....	add.....	\$9.95
101 - 200.....	add.....	1.50
201 - 400.....	add.....	1.95

Visit Eckler's Chevelle Showroom!

Showroom Hours:

Monday - Friday: 8:00 am - 5:00 pm (EST)

Saturday: 9:00 am - 1:00 pm (EST)

The Eckler's Chevelle Showroom Will Be Closed On The Following Days:

Memorial Day: Monday, May 31.

July Fourth: Monday July 5.

Labor Day: Monday, September 6.

Thanksgiving: Thursday, November 25,

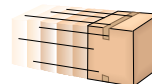

Friday November 26.

Christmas: Friday-Saturday, December 25, 26.

New Years Day: Saturday, January 1, 2011

Same Day Processing Only \$3.95

Eckler's Chevelle standard order processing time is 24 hours. If you need your order processed same day, call us Monday thru Friday before 1:00 p.m. (EST) and request same day processing. For just \$3.95 we'll provide same day processing of all in-stock parts through the warehouse same day. Next day delivery is available, see Express Shipping requirements below or call our Sales Representative for rates.

Need It Fast? Use EXPRESS SHIPPING!

Utilize Express Shipping, U.S. only, and have your order delivered the next business day or day after. Express Shipping is limited to in-stock, non-oversize items with a total order weight of less than 20 lbs. Add \$14.99 to Shipping and Handling Rates for two-day delivery. Add \$24.99 to Shipping and Handling Rates for next day delivery. For next day delivery of oversize parts and heavier orders, call our Sales Representative for rates. Orders must be received by 1:00 p.m. EST.

Shipping and Handling Rates

Rates apply to ground service shipping within the 48 contiguous states, excluding truck shipped parts. Rates for Alaska, Hawaii and Puerto Rico may vary. International shipping rates are calculated on weights and dimensions, call for estimate.

Orders up to \$50.00	add.....	\$9.99
50.01 to 100.00	add.....	14.99
100.01 to 200.00	add.....	19.99
200.01 to 400.00	add.....	26.99
400.01 to 600.00	add.....	33.99
600.01 to 800.00	add.....	37.99
800.01 to 1000.00	add.....	41.99
Over 1000.00	add.....	45.99

▲ Symbol designates part has shipping surcharge due to heavy weight or oversize dimensions. Two symbols designates the part is shipped in two oversize boxes. Add \$9.99 to above Shipping and Handling Rates for each symbol.

FedEx Delivery Area Surcharge - \$1.95 per package residential /\$1.50 per package commercial addresses. **Please note:** One of the two applicable FedEx surcharges will be added to your shipping & handling charges for zip codes FedEx designates as less accessible or to less populated areas.
